

Residence Hall Emergency Evacuation Procedures

The following evacuation procedures are in place for the residence halls. These procedures are to be followed when a fire alarm sounds. All residents and their guests must exit the building when a fire alarm sounds, regardless of whether it is a fire drill, false activation, or actual fire. Any physically unable to exit the building should immediately contact the BSC Police Department at 508-531-1212 from a cell phone or 911 from a campus phone. Questions regarding the procedures should be directed to Residence Life and Housing staff (x1277) or the BSC Police Department (x1212).

Please use the emergency exits available in your building.

DO NOT USE ELEVATORS.

It is important to be aware of all possible exit locations in your residence hall in the event that one or more of the fire exits are unsafe.
